

REGALTM EPIPUREAN

Regal Epicurean Range

If you're looking to add more salmon to your meal times but are conscious of your weekly grocery bill, then look no further. Our versatile Epicurean Range is available now in a convenient 125g pack for only \$9.99. With a light, delicate salmon flavour, Regal Epicurean will have you creating incredible pasta dishes and indulgent homemade pizza. But what makes this range so delightfully different? It's Atlantic salmon, sustainably sourced from the icy waters of the Norwegian fjords, ready to be the understated star in your next dish.
